

GEORGIA Y. EPPS

I am currently the Treasurer of the FAPTO Board of Director. I was on the original Fitness Team that completed the work for the creation of the PTO Fitness Center. As the Treasurer, I take care of all of the finances, taxes, licenses, and insurance needs. I have been a certified fitness instructor for over 30 years and I attend Fitness Conferences each year to keep abreast of the fitness industry. I would like to make sure that the PTO Fitness Center is up to date with all the new fitness programs and the management company meets their responsibility.
